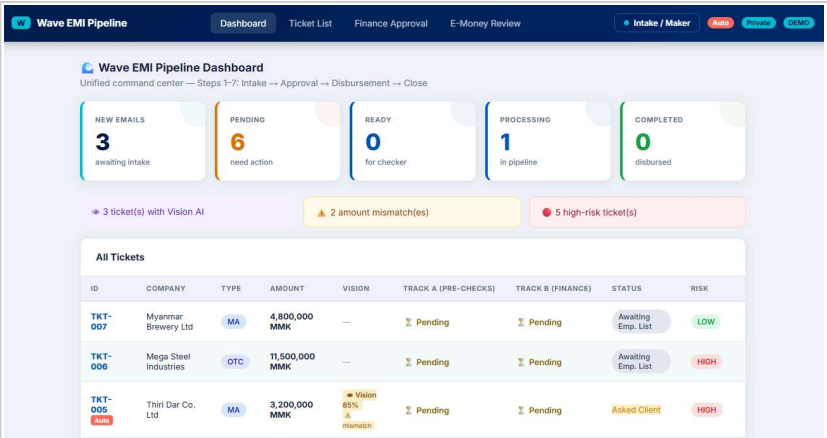
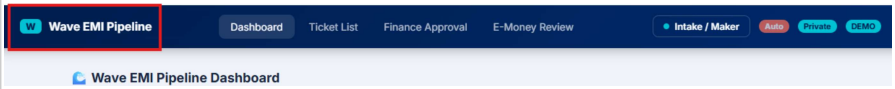
Description

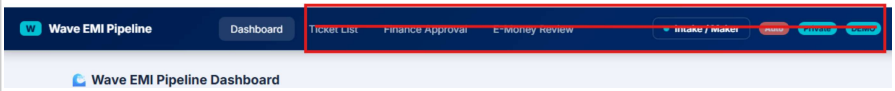


Page header

- Rename Title from Wave EMI Pipeline to Wave eMoney

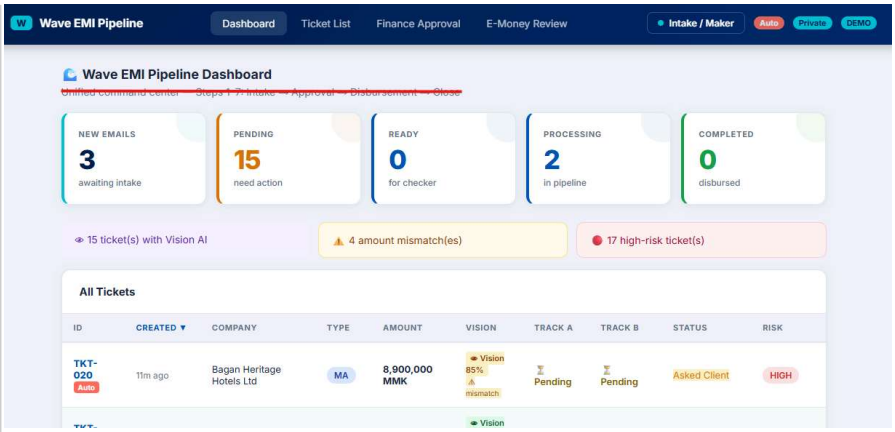


- Only display dashboard, hide the rest

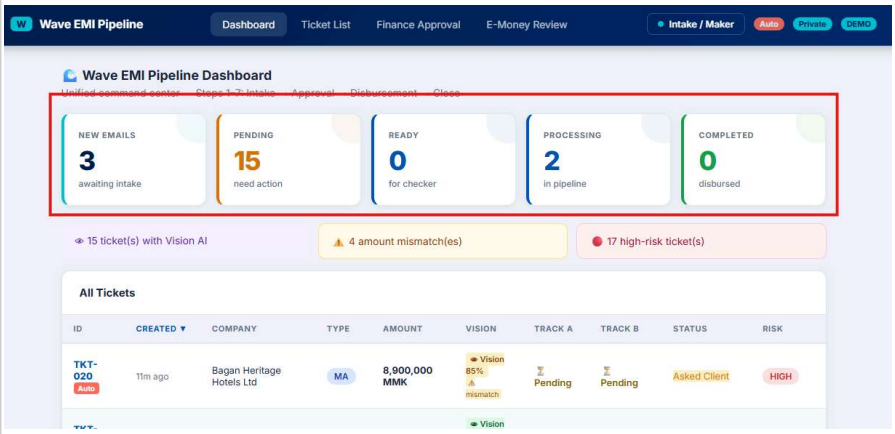


Page body:

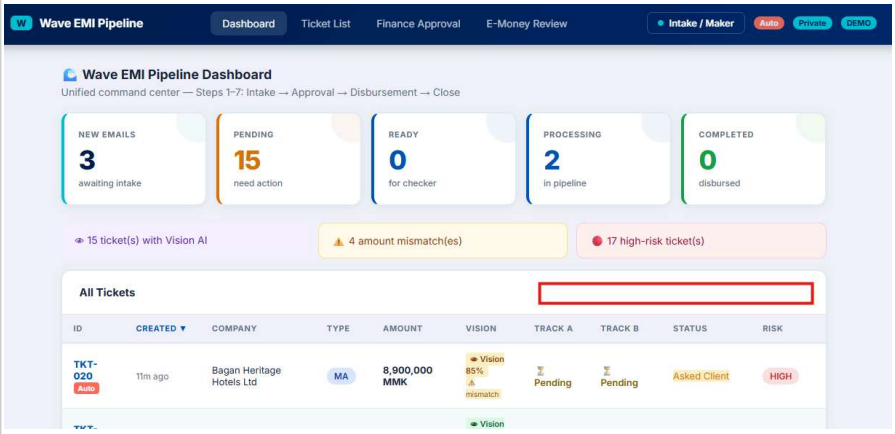
- Rename Wave EMI Pipeline Dashboard to eMoney Dashboard
- Remove this text “Unified command center - Step 1-7”



- Only display 3 blocks: All email, Number of email mismatch, Number of email ready for Finance, when user click on each block = apply filter to the list of record below



- Add one search bar next to All Tickets to let user search for their ticketID



- Remove the 3 panel below the block
